## About Clarkstown Soccer

The Clarkstown Sports Club was founded in 1962 as the Spring Valley Soccer Club, and competed in the German-American Football Association, (GAFA), with a Men's Reserve team, and a First Division team. By 1970 the clubs' name had changed to the Clarkstown Sports Club, Inc., (CSC), and the Men's first team was competing in the "MAJOR LEAGUE" of GAFA, which was the highest division, in the best league of U.S. soccer at the time.

The club had also developed a successful junior movement by this time, and that program has grown steadily over the years to become the core program of the club. In 1972 there were a total of seven travel teams competing, under the CSC banner, and no recreational program. This year we will have over twenty travel teams, from ages seven through forty and older, and a recreational program. Serving over 2,000 children in grades kindergarten through twelve.

Our Men's teams compete successfully in the Cosmopolitan Soccer League, one of the best in the Country, our Women's team competes in the Garden State Soccer League, and our youth teams compete in the Northern Counties Soccer Association League, and MAPS, which are two of the strongest leagues in the area. In the last year, our club has enjoyed tremendous success, with numerous League Championships, and tournament victories. We take pride in the fact that we compete at a high level, and we make note of the fact that many of the players who developed their skills in our program are now attending Division One Universities and Colleges on scholarships.
